SERENITY

An unforgettable holiday, this year more than ever

This winter, the pleasure of seeing you will be even greater than in previous seasons.

We cannot wait to see you racing down the slopes with your friends and family and are already imagining you around the table enjoying a fondue or a raclette made with local products, or watching the progress of your children who will be taking a snowflake or star badge home at the end of the holiday.

For those of us whose job it is to craft and create your holiday and whose main aim is to welcome you here to share our love of the mountains, it will be a great moment when we are able to open our doors once again.

It is with real feeling that we say to you: "Thank you for trusting us and letting us help to create your memories"

Thank you for sharing all these moments with us."

Thank you for coming (back) to see us...

You are at home here.

We would ask everyone to follow the rules that we have all already adopted
